## Correction to: *Respir Res* (2010) 11:146

<http://respiratory-research.com/content/11/1/146>

The original version of the article [1] unfortunately contained a mistake in Fig. 7.

In this a western blot image (p38a/b, panel E in Fig. 7) from the 24 h PDE6D siRNA transfected group has been mistakenly duplicated from the 12 h PDE6D siRNA transfected group shown in Fig. 7D.

We are deeply sorry for this mistake and would like to replace it with a blot from 24 h PDE6D siRNA transfected group. This change will not affect the results, discussion, and the general message of the manuscript.

It has been corrected in this correction.

The correct version of Fig. 7 is in this erratum.

The original article can be found online at <https://doi.org/10.1186/1465-9921-11-146>.
